Hello -

I am representing a marathon race in Canada. We have had our marathon course measured by AIMS, and certified by Athletics Canada. Can we officially announce that we are a Boston Qualifier? or are there other requirements we must meet?

Thank you,
Phil Barnes
for the Cornwall Run to endMS

Hello Phil,

Thank you for reaching out. The Cornwall Run to End MS marathon course is certified by Athletics Canada, and is therefore a Boston qualifier.

Thank you,
