Thanks Phil,

Good luck with the inaugural Marathon. If Boston accepts it, I the rest of the WMM Marathons will as well.

But all is pending the verification methods of 2017.

All best,
Bobby

Thank you.

This is our first year of running a marathon. But it is our 15th year running our event (5K, 10K and half-marathon).

Our website is: <http://www.runtoendms.com>.

Hi Phil,

Yes, it sounds like you have adhered to the standards that would allow a time to be verifiable by NYRR.

Which marathon do you direct and can I see the website?

re: Qualifying Races for New York Marathon

Hello, I am a race director for small marathon in Canada. Our course has been measured to AIMS standards, and certified by Athletics Canada. Our results will be verifiable online. A prospective participant has asked if they can use their time at our marathon to qualify for New York. Can you please advise. Thanks.
